

# Walking in Kingdom Perspective

by John Himmelberger

## Intro

---

Perspective is the lens through which you interpret your life. Heaven always has a perspective, and it is never fear. Walking in Kingdom Perspective means choosing to see what God is doing, not just what is happening. When your eyes stay on Jesus, storms lose power and peace takes over. Perspective shapes decisions, language, and atmosphere. You are not trying to escape circumstance — you are learning to see it from Heaven's vantage point. Perspective turns every moment into partnership and every challenge into invitation.

## My Intention and Assumptions

---

I hope that your relationship with God, Jesus, and the Holy Spirit is strengthened through this teaching. My assumption is that you have read or are reading all 66 books of the Bible for context. This is meant to be 'salt' and make you thirsty. You're welcome.

# Walking in Kingdom Perspective

*Seeing What Heaven Sees, Not Just What Earth Shows*

---

## FOCUS

Kingdom perspective is not denial, it is interpretation. It is choosing to view life from Heaven's vantage point. Perspective determines direction, atmosphere, and authority. When we see what God is doing, peace becomes natural, faith becomes practical, and every circumstance becomes an invitation to partnership.

## KEY TRUTHS

### 1. Perspective is the First Act of Warfare

The enemy does not need to destroy you,  
he only needs to change what you look at.

If he captures your **attention**,  
he influences your **direction**.

- Peter walked on water **until** he looked at the wind.
- The disciples panicked **until** they saw Jesus standing.

**Where you look determines how you live.**

---

### 2. Heaven Always Has a Perspective

Heaven never:

- panics,
- exaggerates,
- catastrophizes.

Heaven never describes things by how they appear,  
but by **what is true**.

Heaven names:

- Gideon → “Mighty Warrior”
- Abraham → “Father of Many”
- Lazarus → “Sleeping”

Heaven speaks **from** victory, **not** toward it.

---

### 3. Perspective Is the Alignment of Attention

Most battles are not against circumstances,  
but **against** interpretation.

- Two people can walk through the same storm
- and carry different realities

Because:

- **Perspective sets atmosphere**
- before anything external ever changes

When peace rules the inside,  
storms lose jurisdiction on the outside.

---

### 4. Perspective Is Faith in Sight Form

Faith is not blind,  
faith **sees further** than facts.

Facts describe the moment.  
Truth describes the meaning.

Facts change.  
Truth is eternal.

Faith sees what is coming  
while most see what is happening.

---

### 5. Perspective Shapes Speech

Your words will always match your lens.

- If you see lack → you will speak fear.
- If you see abundance → you will speak gratitude.
- If you see a storm → you will call for safety.
- If you see Jesus → you will walk on water.

Language is the fruit of perspective.

## SCRIPTURES

### **Psalm 16:8 (AMP)**

I have set the Lord continually before me;  
because He is at my right hand, I will not be shaken.

### **2 Corinthians 4:18 (AMP)**

We look not at things which are seen,  
but at things which are unseen...

### **Hebrews 12:2 (AMP)**

Looking away from all that will distract us,  
and focusing our eyes on Jesus...

### **Matthew 14:29–30**

Peter walked on water until he looked at the wind.

### **Isaiah 26:3 (AMP)**

You will keep in perfect peace the one whose mind is stayed on You...

---

## ACTIVATION

### **1. Daily Question**

All week, ask this:

## **“Where is Jesus in this?”**

Not:

- Why is this happening?
- How do I fix it?

But:

- Where is He standing?
- What is He doing?
- What is He saying?

Perspective begins with location.

---

## **2. Reframing Practice**

Take one situation and finish the sentence:

**Heaven sees** \_\_\_\_\_

Examples:

- Heaven sees an opportunity for testimony.
- Heaven sees me growing in strength.
- Heaven sees a breakthrough forming.
- Heaven sees provision preparing.
- Heaven sees peace overtaking fear.

Write 3–5 of these **each day**.

---

## **3. Alignment Prayer**

Short, simple, repeatable:

Jesus, show me what You see.  
Teach me where to look.  
Align my eyes with Your eyes,  
so I can walk in Your peace,  
and carry Your perspective into my world.

---

# GROUP DISCUSSION QUESTIONS

1. Where do you feel most challenged to keep perspective right now?
  2. What changes when you ask, “Where is Jesus in this?”
  3. Describe a time when shifting perspective changed the situation.
  4. How does Kingdom perspective affect your speech?
  5. What would it look like to carry Heaven’s perspective into your work, relationships, and decisions this week?
- 

## DECLARATIONS

Have the group stand and speak these out loud:

- I choose to see what Heaven sees.
  - My eyes are fixed on Jesus.
  - Peace rules my heart.
  - I will not be shaken.
  - I walk in God’s perspective.
  - Every challenge is an invitation.
  - I carry Heaven into every room.
  - My perspective changes atmospheres.
- 

## CLOSING THOUGHT

Perspective doesn’t change the facts ,  
it changes how we walk through them.

Heaven’s perspective makes peace possible.  
Heaven’s perspective makes courage reasonable.  
Heaven’s perspective makes breakthrough visible.

You are not trying to escape circumstance.  
You are learning to see **from a higher place.**
